

FOR IMMEDIATE RELEASE

Himmelman Currently Constructing Three New Projects for Jeffco Public Schools

April 28, 2022 10:20 AM Mountain Daylight Time

LAKEWOOD, Colorado -- Himmelman Construction, Inc. (Himmelman), a privately held commercial General Contractor headquartered in Lakewood, Colorado, announced today the award of three new projects from valued repeat client Jeffco Public Schools. Construction has commenced on Powderhorn Elementary School in Littleton, Shelton Elementary School in Golden and Ralston Valley High School in Arvada. All projects are extensive renovations and/or additions of these K-12 education facilities. Design firms include Hollis + Miller Architects, Mellin & Associates, and EUA respectively.
