Himmelman Completes Construction on Library Renovation for Summit County in Frisco

April 27, 2022 4:30 PM Mountain Daylight Time

LAKEWOOD, Colorado -- Himmelman Construction, Inc. (Himmelman), a privately held commercial General Contractor headquartered in Lakewood, Colorado, announced today the completion of Phase 1 of an interior renovation for Summit County's main library located in Frisco, Colorado. Himmelman has been awarded Phase 2 which will include an extensive interior renovation for Summit County's north branch library located in Silverthorne, Colorado. Design services are being provided by Denver-based Vega Architecture.
