**Himmelman Construction Awarded Summit County Library North Branch Renovation**

**September 15, 2022 2:30 PM Mountain Daylight Time**

LAKEWOOD, Colorado -- Himmelman Construction, Inc. (Himmelman), a privately held commercial General Contractor headquartered in Lakewood, Colorado, announced today the award of Phase 2 of an extensive interior renovation for repeat client Summit County's north branch library in Silverthorne, Colorado. An extensive renovation was completed earlier this year on the library's main branch in Frisco. Design services are being provided by Denver-based Vega Architecture.
